EDITOR'S PICK

Make your child feel special with a collection of songs created just for her. Name Your Tune

is a Canadian company that produces personalized music CDs for children. Your child's name is sung more than 40 times throughout 10 much-loved songs, so "Old MacDonald" had a farm becomes "Little Tessa" had a farm. The tunes are sung and recorded by children's performers such as Juno Award-nominee Lenny Graf. A portion of the proceeds are donated to Hear Here, an organization that raises funds to provide hearing aids for children through The Hospital for Sick Children in Toronto. CDs cost \$20 or two for \$36 plus shipping and handling. Order at [www.nyt.ca](http://www.nyt.ca) or call (905) 508-3633.
